LARGE SCALE. SMART OPERATIONS. NATIONWIDE IMPACT.

# FAMILY OWNED. *BUILT TO LAST.*

Since 1975, Edge Plastics has grown from a family-founded business into a trusted manufacturer of storage solutions.

What began as a custom injection molding company founded by Marilyn and David Eckstein has grown into Edge Plastics, a trusted name serving retailers across the United States and Canada. From the start, the focus has been simple: quality products, dependable service, and on-time delivery.

Today, their daughter, Shelley Fisher, carries that legacy forward as CEO and Owner, leading Edge into its next chapter while staying true to the family values the company was built on.

Under Shelley's leadership, Edge continues to expand its product lines, invest in new capabilities, and strengthen its manufacturing operations for generations to come.

**Founded by**  
**Marilyn & David Eckstein.**

**Carried forward by their daughter,**  
**Shelley Fisher, CEO & Owner.**
